Testimonials

"I have used the St Barnabas Centre and St Bart's Clay Cross for a number of events now and find both venues ideal for events of varying sizes. St Barnabas Centre provides a really flexible modern space and has excellent facilities and equipment. St Bart's is equally flexible but has a more traditional feel to it. It has a wonderful atmosphere that really adds to your event. Steve and the team are really supportive and do everything they can to make your event run smoothly. As a result I would thoroughly recommend these two venues to you."

Maureen Cole Church Growth Officer Derby Church House

"The Enable Group who provide housing, home care and support for 350 adults with learning difficulties, needed a local venue for one of their in-house training sessions which could provide spacious and flexible accommodation. The room we used at the St Barnabas Centre for the session was light, airy, spacious and well equipped and the centre was able to accommodate all of our needs for that day. Steve, the Centre Manager, could not have been more helpful and did everything he could to ensure that the arrangements went smoothly. We were so impressed with the Centre that we have booked it for our Annual General Meeting in September 2011 and would not hesitate to recommend it as an excellent venue for a wide variety of uses."

Lin Debenham The Enable Group

We used St. Barnabas Centre for six weeks for a "Living with Long Term Conditions" course. The room was spacious and airy, very comfortable chairs which was important for our participants. Kitchen facilities were excellent and excellent manager and staff very helpful!

Links CVS has used St. Barnabas Community Centre for several events and found it absolutely brilliant! The buffet is great too, thanks to Steve for the welcome and excellent service.
